## Donate Money

Every dollar invested in Philanthropy By Design is returned to the community many fold. All donations directly support Philanthropy By Design's community services.

- Keep more furnishings out of landfills
- Reach more not-for-profit agencies with our services
- Recruit talented volunteer designers
- Expand and streamline the delivery systems of all of our services. Our funding comes from environmentally concerned and community minded individuals, the design community, foundations, corporations and government sources. All donations are tax deductible and all donors receive a letter confirming the donation for tax records.

Please fill out this form and mail it back to us with a check or your credit card information. A member of staff will confirm receipt of your donation.
